

## WILL BE GAMES

## Baseball and Football Now in Prospect.

## Regiment Team Challenged—New Yorkers Are Ready—Punahou.

There will be a series of five baseball matches between the local First Regiment team, somewhat reorganized, and a picked nine from the First New York regiment stationed at Camp McKinley. A challenge from the New Yorkers was received in town yesterday, and will be accepted. A meeting of the Regiments will be held tomorrow evening to elect a captain and make other arrangements for a special series. Percy Lishman will probably be elected captain and Dick Davis business manager. Toyo Jackson will pitch and "Old Fel" Gorman will stop the balls behind the bat. The first game will probably be played Saturday week.

The Town football team has received a challenge from the Punahou for a match on Thanksgiving Day. It is safe to say the game will be taken up by the local knights of the pig-skin, although they are exceedingly wary of some new men the College will put in this year. In the meantime there is a first-class football team at Camp McKinley eager to try conclusions with the Towns.

The companies of the N. G. H. will compete at Kakaako butts Saturday afternoon for the trophy put up by the Foreign Office the first of the year. Teams must be twenty men each. The contest will begin at 1:30 and will close at 5. Six booths will be open.

## UNUSUAL CRICKET.

## "Element of Chance" Causes Difference of Opinion.

Pickle Dame Fortune, who must needs have her finger in most things mundane, not even excepting a cricket match, played her pranks to a remarkable degree on Saturday last. The two elevens representing "The World" and "Hawaii-Australia" were captained by A. R. Hatfield and A. St. M. Macintosh respectively, H. L. Herbert being absent through indisposition.
